## **Atagi Aesthetics Financial Policy**

1. A 10% **NON-REFUNDABLE** deposit for the surgeon's fee is due upon scheduling surgery.
2. Full payment is due at the time of the pre-operative appointment. Failure to provide payment at this appointment will result in surgery cancellation.
3. Anesthesia services and surgical assistant services are charged on an hourly basis based on Dr. Atagi's *best estimate* of time prior to surgery. Additional charges will be incurred should the procedure(s) take longer than anticipated.
4. In the event surgery is cancelled and rescheduled, all prepaid fees will be applied to the new surgery date. Fifty percent of the surgeon's fees are **NON-REFUNDABLE** if surgery is cancelled less than seven days prior to the date of surgery and if surgery is not rescheduled within six months.
5. Additional costs including but not limited to hospital admissions, emergency room visits, laboratory tests, imaging studies, and surgical interventions may be incurred with post-operative complications.
6. Additional costs including but not limited to Dr. Atagi's fee, operating room, anesthesia, surgical assistant, laboratory tests, imaging studies and use of the VASER LipoSelection equipment are the patient's responsibility for surgical revisions.
7. In the event breast implant encapsulation (excessive scar around a breast implant) results in the need for surgical intervention, additional costs including but not limited to Dr. Atagi's fee, operating room, anesthesia, surgical assistant, laboratory tests, imaging studies and any implant(s) will be the responsibility of the patient.
8. Post-operative appointments will be covered for one year for any aesthetic procedure. Each additional appointment after one year will incur a \$75 charge.
9. Returned checks will incur a \$25 handling fee.

*I certify that I have read and fully understand Dr. Atagi's financial policies. I agree to be personally responsible for all payments.*
